## **BATH TIME**

As you bathe your child, look her in the eyes and tell her that Jesus loves her SOOOOOOOO much. And guess what! Jesus loves all of our family and friends too! Help your child think of as many friends and family by name as possible while you bathe her. Say, “Jesus loves (name of person)” each time you name a person. End with reminding your child that Jesus loves a lot of people, because Jesus loves everyone!
